

Kentucky Diabetes Network Strategic Plan 2025-2027

<i>Our Foundation</i>	<i>Strategic Objectives</i>	<i>Measurement Indicators</i>
<p align="center">Mission <i>Promoting health and well-being for Kentuckians at risk for and living with diabetes.</i></p>	<p>Connect</p> <ol style="list-style-type: none"> 1. Develop a targeted outreach and recruitment plan that highlights the benefits of KDN membership, particularly for individuals with lived experiences. 2. Actively recruit individuals with lived experiences and providers serving rural communities and underrepresented groups 	<p>Connect</p> <ol style="list-style-type: none"> 1. Analyze current membership and identify underrepresented groups. Increase membership diversity by 20% within three years. 2. Participate in two events yearly representing KDN and promoting benefits of membership.
	<p>Collaborate</p> <ol style="list-style-type: none"> 1. Expand KDN leadership and membership expertise through collaborations with key community partners. 2. Implement collaborative projects, with a focus on expanding partnerships with local organizations, such as BreakthroughT1D, faith-based, and community groups. 	<p>Collaborate</p> <ol style="list-style-type: none"> 1. Identify three or more community needs assessments to be used to identify community needs. 2. Complete two major collaborative projects annually with new partners.
<p align="center">Vision <i>Optimal health for all</i></p>		<p>Coordinate</p> <ol style="list-style-type: none"> 1. Integrate Kentucky data into evaluation process when developing strategies and programs. Utilize data for funding opportunities. 2. Identify grant opportunities and community fundraising.
	<p align="center">Core Values</p> <p><i>Integrity</i></p> <p><i>Innovation</i></p> <p><i>Inclusion</i></p> <p><i>Engagement</i></p> <p><i>Advocacy</i></p>	<p>Communicate</p> <ol style="list-style-type: none"> 1. Create a comprehensive communications strategy across platforms, ensuring consistent messaging to both community members and providers.
